

Coffee variations with Sirocco beans

Milano-Bar

A fine and strong espresso that offers perfect harmony between body and flavour without being bitter. Also very popular with all those who prefer a slightly stronger Café Crème.

Espresso Rubino

Only washed Arabica beans are used for this fine espresso blend. The result is a coffee experience with incomparably fine and elegant flavour nuances - fruity and floral on the palate, yet strong and full-bodied.

spicy - strong

Black tea with a bouquet of oriental spices - a savoury a savoury liaison that remains unforgettable. Black Chai is particularly seductive when enjoyed with a little milk. enjoyed with a little milk.

Imperial Gold

Black tea with lemon & orange

round - lemony

A lively yet balanced blend of strong black tea, the sparkling effervescence of lemon and the rich sweetness of sun-ripened oranges. An intense, full flavour and a nuanced fragrance. Inspired by Moscow's Zizin Gardens, this flavour experience would also have found its place in the courts of the Russian tsars.

Black Vanilla

Black tea with vanilla

full-flavoured - creamy

Our organic black tea now comes from Colombia. The familiar vanilla flavour is complemented by a light hint of cocoa beans.

Ceylon Decaf

Decaffeinated black tea

decaffeinated - strong

An exclusive treat from the traditional tea country of Sri Lanka.

Invigorating, round and strong in flavour, this tea will delight even the most discerning connoisseur. The caffeine is gently removed from the tea using a gentle process. The result is tantalising and, without the caffeine, also suitable for the evening.

Green Topic
